~~that agency. That flexibility is being accomplished by providing growth pools in subsection (a) of this section and since the General Assembly has granted the agency broad powers under the growth pool concept, it is both necessary and appropriate that the General Assembly maintain oversight of the utilization of the growth pool by requiring prior approval of the Legislative Council in the utilization of the growth pool. Therefore, the requirement of approval by the Legislative Council is not a severable part of this section. If the requirement of approval by the Legislative Council is ruled unconstitutional by a court jurisdiction, this entire section is void.~~

~~If the agency requests continuation of a "Growth Pool" position(s) as established herein during the next biennium, the position(s) must be requested as a new position(s) in the agencies biennial budget request.~~

~~The provisions of this section shall be in effect only from July 1, 2003 2005 through June 30, 2005 2007.~~
